

Entrepreneurial spirit, inspired by co-creativity. Business builder, evangelista and humanistic leader. A unique mixture of idealistic visionary and pragmatist. Successful history of assessing multi-dimensional aspects of people and organizations to produce winning partnerships and long-lasting relationships.

Hawai'i

5/09 to Present - General Manager - Enlightened Science/Imaginariums, Puna District, Hawaii - Responsible for multiple aspects of creating on-line, interactive and immersive environments that support participants in realizing their infinite potential via a dynamic co-creative and transformative process involving dream illumination.

7/10 to 8/11 - ReadyTalk- Denver, Colorado - Part-time remote freelance recruiting.

9/09 to 12/09 - Beatrix Pfeleiderer, Ph.D. and TARA-Process - Puna District, Hawaii - Part-time freelance event planning, administrative, editing, marketing, PR, writing, visioning.

12/08 to 5/09 - Parent Caregiver - Fort Worth, Texas - Cared for terminally ill parent & co-managed estate matters.

8/08 to 12/08 - Journey Work - Puna District, Hawaii - Focused and mostly isolated shamanistic journey work.

12/07 to 4/08 - Garden Caretaker - Kipukamaluhia La'akea, South Point, Hawaii - Lived and worked in this minimally populated, spiritual sanctuary established by Rashani Rea. Advanced permaculture practices and participated in building structures while focusing on deepening practices of presence, unconditional and non-judgmental mind.

Mainland

3/06 to 11/07 - Recruiting Manager - Leopard Communications, an Ogilvy Company, Broomfield, CO - Responsible for nuts to bolts recruitment for high technology-based B2B marketing agency.

5/94 to 3/06 - Vice President - Liaison Creative Services, LLC, Denver/Boulder, CO & Austin, TX - Was a ground floor hire, quickly expanding diversity of offerings and accelerating sales of this creative recruiting business. In July of '96, started and grew Denver branch. Promoted to Vice President, and with only 3-4 employees, generated record revenue from 1998-2000 in excess of \$3/4M each year, before downsizing to successful solo practice in response to the economic times.

This opportunity allowed me to realize and express my natural entrepreneurial and leadership gifts as well as my ability to assess creative talent and personality dynamics with client needs. In the process, I became very well networked in Colorado Front Range communities, working in partnership with over 200 design/agency clients.

6/89 to 12/93 - General Manager - Austin Futons, Austin/Dallas, TX - Took business from wholesale to retail, growing into three stores in two cities with record sales. Managed operations, sales and warehouse managers.

'81 to '89 - Legal Assistant & Office Manager for legal departments, law & accounting firms - Dallas/Austin, TX

Education

Worked through college, earning a BA in English/Psychology from the University of Texas, Austin, Texas
Certificate in Permaculture Design from Boulder Valley Relocalization, Boulder, Colorado
